Customer Acquisition for PharmEasy

PharmEasy is the one of a kind medicine delivery service with a delivery time of less than 24 hours. An order can now be placed on PharmEasy with just three clicks and a re-order can be placed just by one click on the app, making the app very user-friendly. In the last year, the company has grown over 200%.

Roles and Responsibilities:

1. You will be responsible for Customer Acquisition of the company Pharmeasy
2. Approach potential customers in & around your location, educate them about the idea behind Pharmeasy and its advantages.
3. Make them install the **Pharmeasy app** and help them make a transaction using your promocode.
4. Update the required details in Awign App and create **tech** leads.
5. Once selected, you will be online trained by the respective manager to understand all the aspects of **the Pharmeasy business model** and also on the sales pitch.

What student's get?

1. Earn up to INR 7000 in 3 weeks by just devoting 2-3 hrs a day.
2. Internship Certificate on successful completion of Project.
3. Pre-Placement Interview Opportunity (Only for good performers).
4. Startup experience to level up your resume.
5. Opportunity to attend a workshop on Entrepreneurship/Data Analytics/Personality Development free of cost (Based on performance review)
