Accredited by NAAC

Notice

03.02.2020

Students who have enrolled under the Semester System have to download the new CMS Lite App to make payment or any other enquiries.

For downloading the App you have to download QR Scanner 4.5 or above.

**CMS Lite - Mobile Web App
is now available!**

SCAN THE QR CODE NOW!

Steps to follow...

1. Scan the QR Code
2. CMS Lite Web App will open in mobile browser
3. Select your College
4. Click 'Add app icon to Home Screen' link.
5. Close the browser and tap the web app icon from your mobile desktop.

Please note : All the above steps will work only for Android enabled mobile phone. Other than Android mobile phone web app will work on browser after scanning QR code.
