

HERAMBA CHANDRA COLLEGE

DEPARTMENT OF COMMERCE

Internal assessment and external evaluation is done as per The University of Calcutta norms for the academic year 2022-23:

Mechanism of Internal Assessment

20% weightage is given to internal assessment that comprises of:

1. An Internal assessment (10%) that involves creation of a question paper by a team of faculty members, which is subsequently reviewed by a panel of experts. Typically, the question paper covers the entire syllabus. Following the assessment, teachers evaluate the answers and upload the marks onto the university website.
2. Attendance (10%) is a component of internal assessment. Students are awarded marks based on their regular attendance in classes.

Mechanism of External Evaluation

1. At the end of each semester, there is a final examination covering the entire syllabus of the respective courses. 80% weightage is given to semester-end examination.
2. Evaluation of the project work of Semester-VI and IT is jointly done by one internal expert and one external expert with equal weightage, i.e., average marks of the internal and external experts are allotted to the candidate.
