Important Information for Heramba Chandra College Students Selected by TCS:

1. Regarding Document Verification Mails:

If you haven't yet received the document verification email from TCS, please don't worry. All selected candidates will receive the mail in due course.

2. Tentative Date for 6th Semester Result:

Mentioning the tentative result date is not a major concern. Since the University of Calcutta is the official authority, and TCS is aware of the process, there is no strict deadline related to this.

3. Bona Fide Certificate:

Once the online result of the 6th Semester is declared, you may take a printout of your result, get it attested by the college, and then collect your bona fide certificate.
