Heramba Chandra College

Department of Political Science

Programme Outcome:

PO1: Critical Thinking & Problem-solving: This outcome involves training students to think critically and independently. Critical thinking skills help graduates make informed decisions effectively. It equips students with problem-solving skills. Graduates should be capable of identifying complex issues, analysing root causes, and proposing effective solutions. This skill is valuable in both personal life and professional careers.

PO2: Research Skills: This BA programme requires students to engage in research activities. They should learn to use proper research methodologies and tools to investigate and present their findings.

PO3: **Interdisciplinary Knowledge**: Depending on their chosen major, minor and interdisciplinary subjects within the BA programme, students should develop expertise in their specific area of study, whether it's literature, history, education, economics, geography, political science, or another field. This specialized knowledge provides depth in their chosen discipline.

PO4: Employability: On graduating, the students will be eligible for employment in education and other industries like tourism, media, etc. Their skills in comprehension of general social phenomena around them place them in an ideal situation for such jobs. They can also appear for competitive examinations conducted for public sector jobs. They can pursue higher studies to be engaged in academics.

Program Specific Outcomes:

PSO1: The programme imparts basic concept, historical development, theory and thoughts of various philosophers etc. It also imparts various constitutions and governance this enable the students to have clearer concept which enhancing more knowledge.

PSO2: Understanding of the institutions, processes, constitutional background, and policy outcomes of the government or other power structures and the ability to compare one country's political system with others around the world

PSO3: Knowledge of key theories and concepts, historical developments, organizations, and modern issues in international relations

PSO4: Understanding of government institutions, electoral processes, and policies in a variety of countries around the world and the ability to compare the effectiveness or impact of differing political arrangements across countries

PSO5: Knowledge of some of the philosophical underpinnings of modern politics and government and the legal principles by which political disputes are often settled.

PSO6: Ability to use the comparative case study method of analysis, quantitative forms of analysis, and legal analysis in oral communication and in written research.

PSO7: Students of Political Science develop lifelong skills and abilities that have served the Indian Civil Services and the bureaucracy over the years.

PSO8: As the programme contents various topics which is of challenging task of the present and future governance it instils the student to know more which inculcate into research mindset.

PSO9: Well-versed in global politics, human rights, Indian government and politics, comparative government, and such burning issues such as environment, gender discrimination, and so on.

Course Outcomes (CO) are mapped to the revised Bloom's Taxonomy using the following abbreviations

R- Remembering, **U**- Understanding, **Ap**- Applying, **An**- Analysing, **E**- Evaluating, **C**- Creating

Course Code	Title	Credits		Course Outcomes	PO Adressed	PSO Adressed	Cognitive Level
PLSA-CC-1-1 TH+TU	Understanding Political Theory: Concepts	5+1	**On the completion of the course, the student will be able to**	• Develop a foundational understanding of the key concepts in politics. ● Acquired the skill to apply their understanding of basic concepts to analyse political issues.	1,3	1	U, Ap
