This is to bring to the attention of all coming 2nd and 4th semester and 6th semester students that you have to complete your internship in 2nd/4th /6th Semester under CCF as part of your curriculum. Please go carefully through the following points

1. Total duration of the internship: Minimum 15 days (60 hours) to Maximum 30 days. Full marks 75 (Report writing: 50 marks- 2 credits, Viva: 25 marks – 1 credit).
2. Students who have already completed their internship in 2025 need not do any internship this year.
3. Present 6th semester students who have not done internship earlier, must complete that in 6th semester.
4. Like previous year college cannot organise off-line seminars for registering in internship program due to forthcoming election and semester examination. Instead, college has requested all the organizations to offer on-line seminars before registering students in their program. Students are recommended to attend those seminars before registering themselves.
5. From 14th of April, 2026 all the internship opportunities will be posted in the announcement section of the college website. Students must complete their registration before 13th of May.
6. The internship program periods will be informed by respective organization but students must keep in mind that they must complete the process by end of July 2026
7. Students must submit softcopy of their project report and certificate at the end of internship program
8. Fees will be mentioned in the notices and Payment gateway will be provided by the organizing company. College takes no responsibility of paying or refunding any money to either of the party, that is college students or training organizations
9. Students must check the announcement section of the college website for regular update of internship opportunities in the month of April 2026.
