To whom it may concern

I confirm that I know Ms. Nabonita Tapadar for the period of three years 2006-2009.

I had been teaching her in the college, Heramba Chandra College, while she was pursuing her B. Com (Honours) course. I have found her impressive, hard-working and conscientious. She is an intelligent student with ability of analysis. She has good organizational and communication skills. The subjects learnt during her undergraduate course would help her in pursuing the desired course of Master of Science in Marketing in your University.

Nabonita has always had an amicable personality which makes it easy for her to get along with peers and staff alike.

She would also participate in major college events like college fests and celebrations which demonstrate her enthusiasm to expand her activities beyond the four walls of the classroom.

I believe her ambitions and will would make her an excellent candidate at your university. I strongly recommend Ms. Nabonita Tapadar for her postgraduate studies at your university. Please do not hesitate to contact me regarding Nabonita's career.
