Basic Guidelines:

1. Students need to sign in using their personal mail ID during the online exam.
2. Questions will be attached with the google form, so there is no need to download the question paper from anywhere. First fill out all the details in the google form to get to the question paper.
2. A candidate has to select all the options in the online OMR page, and then submit the answers at a time.
3. Once the Answer is submitted from the candidate's end, it will be considered final, and no changes will be allowed in any circumstances.
5. Candidate must fill out all the other details to be asked in the google form.
6. Only one response will be allowed. If more than one response is found from any candidate's end, only the first one will be evaluated.
7. The form for submitting the answers will automatically open at the scheduled time of the exam (i.e. at 4:30 pm of 17.12.2021) and stop accepting responses after the scheduled time is over (i.e. at 5:00 pm of 17.12.2021). Thereafter, no excuse will be entertained.
8. After submission of the response/answers a candidate will be notified with a confirmation mail such as "Your response has been recorded" and a notification will also be sent in the email which will be used for this exam.
